

Quality to LVN is seeing a shift in behaviour and attitude towards progression and positive influence.

Real opportunity for change.

Creating a place where young people feel valued and respected.

LVN COORDINATOR SUPPORT

QUALITY CONTROL

We want young people to know what to expect when they attend LVN events. Our ambition is to be a FIRST-CLASS youth delivery service. This means we want to be known for our quality. Our focus is always how can we support this young person more to make their future better.

Our Values are Learning, Values, Nurture, Kindness and Creativity

QUARTERLY LVN ROUND TABLE

As part of the LVN support program, youth workers using the LVN service will be required to meet with the LVN trainer every 12/14 weeks.

These sessions are vital to ensure we are keeping best practice. It is an opportunity to feed back, make comments and refresh.

- Feed into LVN the types of professionals you need
- Supporting you to create the environment for change
- Creating a positive influence
- Ensure best practise
- Feedback on experience
- Any concerns
- Latest LVN news
- Safeguarding reminder
- Tell others how you are using LVN volunteers to support the work you are doing
- Explore how to take the young people's interest further
- Equal opportunities / social mobility targets
- Teaching refresher: Importance in selecting and being the right friend
- Teaching refresher: Right for individuals to have their own opinion.
